1.0 DESCRIPTION

You are required to build a corporate website of any orphanage home in Malaysia. Please choose ONE and create a website for that home only. Things that can be highlighted include background information, organization chart, activities, achievement, donation instruction, map, etc. Please remember that this website is targeted for the potential donator or visitor. Since this website is about other organization, please make sure all information is genuine and updated. To avoid confusion, please declare in disclaimer area that this website is not the official website of ...<organization name>... This website was developed for the purpose of learning HTML & CSS only.

2.0 EVALUATION

This website will be evaluated on the following:

NO	CRITERIA	%	DESCRIPTION
1	Content	25	Including relevance and extensive information, links, disclaimer, images, language (English), etc.
